Welcome Message

Welcome!

Dear colleagues and friends dermatologists,

It is with immense honor and enthusiasm that I invite you to participate in our XXV Ibero-Latin American Congress of Dermatology (CILAD), which will be held in the beautiful city of Porto, Portugal, from October 27 to 31, 2026. This conference represents a unique opportunity for us to come together, share knowledge and experiences, and strengthen the bonds that unite our dermatological community.

The scientific program of the XXV CILAD will be comprehensive and innovative, addressing the most relevant and current topics in dermatology. The lectures will be in Portuguese, Spanish and English, in different rooms and simultaneously. We will have internationally renowned speakers who will share their latest discoveries.

Porto, with its rich history, vibrant culture, and stunning scenery, will be the perfect setting for this memorable meeting. It is a cozy and charming city, offering a variety of attractions for all tastes. From its historic architecture to its delicious cuisine and stunning coastal views, Porto has everything to make your stay unforgettable.

We are close to cities such as Braga, Viana do Castelo, Guimarães, Coimbra and religious destinations such as

Fátima and Santiago de Compostela. And let's not forget the Douro River and the Port Wine Cellars. The city's airport has direct flights to major European cities such as Madrid, Barcelona, Paris, Frankfurt, Munich, London, and other cities in Brazil and the United States. We work to ensure that our accommodation and meals are of high quality, affordable, and offer a variety of options. We want to negotiate attractive and affordable prices with the hotel industry.

We intend for the social program, pre and post congress, to be diversified, at competitive prices and to allow you to enjoy unforgettable trips, with the possibility of traveling by boat along the Douro, from the congress center itself. We are preparing an exceptional congress that will exceed your expectations. We hope that, in this way, more congress participants will register and visit us. We look forward to your presence as we celebrate dermatology together and build an even brighter future for our specialty.

We are waiting for you here in Porto!

United by the Skin!

António Massa (POR)
Congress President

About CILAD 2026

-

The Ibero-Latin American Congress of Dermatology is the most distinguished academic event organized by CILAD, held every two years.

With over 24 successful editions, it has become the most significant and respected gathering in the specialty across the Ibero-Latin American region.

The congress brings together thousands of dermatologists and residents from across Latin America, the Iberian Peninsula, and beyond. Its outstanding scientific quality is reflected in a rich and diverse program that includes workshops, symposia, courses, keynote lectures, and many other educational activities.

In addition to its scientific excellence, the congress also fosters social and professional interaction through networking events and informal gatherings—creating opportunities to strengthen collegial ties and build lasting professional relationships.

Who will attend

-

- ✓ Dermatologists from across Ibero-America and beyond
- ✓ Medical residents and postgraduate students
- ✓ University professors and clinical researchers
- ✓ Pharmaceutical and dermocosmetic industry representatives
- ✓ Companies in medical technology and dermatological equipment
- ✓ International medical and dermatological organizations
- ✓ Local and regional health authorities

Congress Facts & Figures

-

+ 3500 participants

+ 80 Sessions

+ 400 speakers

+ 800 submitted abstracts

+ 80 exhibitors

+ 16 sponsored symposia

+ 30 countries represented

Sponsorship Packages

To ensure our sponsors receive meaningful recognition and impactful engagement, we have carefully designed a range of sponsorship packages offering various levels of visibility, involvement, and strategic value. These opportunities are tailored for brands within the dermatology sector that aim to stand out before a highly specialized and relevant audience.

Beyond on-site exposure, our sponsorship options are built to foster lasting connections with key stakeholders in the field — including thought leaders, healthcare professionals, laboratories, distributors, and other influential players in the dermatological industry. Whether your goal is to enhance brand awareness, position your company as a leader in dermatological innovation, or establish long-term partnerships, you will find an opportunity that aligns with your objectives.

	Diamond 180.000 USD	Platinum 150.000 USD	Gold 110.000 USD	Silver 80.000 USD	Bronze 40.000 USD
Industry symposium	2	1	1	1	
Exhibition space	Space only with 81 sqm	Space only with 54 sqm	Space only with 36 sqm	Space only with 24 sqm	Space only with 18 sqm
Participant registrations	250	200	150	100	30
Complimentary staff registrations	8	6	4	3	2
Insertion of commercial leaflet in the official Congress bag	2	1	1	1	1
Institutional logo in the Congress website and APP	Yes	Yes	Yes	Yes	Yes
Visibility Opportunities	2	1	No	No	No

Satellite Symposia

Host a satellite symposium during the Congress to present your latest research, products, or innovations to a targeted audience. Sessions run **Wednesday to Friday, 13:00–14:00**, and are held in various halls with capacities ranging from 143 to 1200 participants.

Includes:

- Room rental and basic AV
- Promotion via Congress channels
- Custom branding and speaker selection

	CAPACITY	PRICE
Archive Hall	1200 pax	35.000 USD
East Hall (Front Half)	476 pax	28.000 USD
Noble Hall	350 pax	25.000 USD
Infante Hall	350 pax	25.000 USD
Auditorium	319 pax	25.000 USD
Despachantes	170 pax	12.000 USD
Port Hall	154 pax	12.000 USD
Arrábida Hall	154 pax	12.000 USD
D. Luís Hall	143 pax	12.000 USD
Maria Hall	143 pax	12.000 USD

Individual Partnership Opportunities

-

In addition to our tiered sponsorship packages, we offer a selection individual sponsorship items designed to provide targeted visibility and meaningful brand exposure. These options allow your organization to align with specific moments and experiences within the congress - from high-profile networking events to practical items used daily by participants.

We invite you to explore the list below and select the opportunities that best match your brand strategy and engagement goals.

Availability is limited and offered on a first-come, first-served basis.

ITEM	PRICE

About Porto

-

Located along the Douro River estuary, Porto is one of the oldest European centers, and its historical core (Riberinha) was proclaimed a World Heritage Site by UNESCO in 1996. The western part of its urban area extends to the coastline of the Atlantic Ocean.

In Portuguese, the name of the city is spelled with a definite article ("o Porto"; English: The port). Consequently, its English name evolved from a misinterpretation of the oral pronunciation and referred to Oporto in modern literature and by many speakers.

The famous fortified wine - Port wine, one of the most significant export goods of Portugal, is named after the city, since the metropolitan area is responsible for the packaging, transport and export of these fortified wines. In 2012 and 2014, Porto was distinguished with the prestigious title of Best European Destination. Porto was again announced as Best European Destination 2017, having competed with other great cities, such as London, Rome, and Berlin. The city was also highlighted by Lonely Planet as one of the top 10 best value cities in 2017, and earlier in 2015, was also elected by USA Today readers as the Best Under-the-radar Romantic Destination. In the most recent edition of the World Travel Awards Porto was elected the World's Leading City Break destination 2020.

Other Information

It is the exhibitor's responsibility to comply with national legislation regarding the display, advertising and distribution of flyers, as well as the promotion of any products or services.

Exhibitors are responsible for complying with the rules and regulations of the Alfandega do Porto Congress Center.

Sponsorship items and spaces will only be allocated once the online form has been completed and the respective invoice issued.

Exhibition space and sponsorship items will be allocated on a first-come, first-served basis. The allocation of exhibition space also depends on the requirements of the booth and the space available.

Conditions will be provided to support the technical exhibition on site, however, CILAD is not responsible for the materials placed there, the responsibility for preservation of which lies solely and exclusively with the exhibitors.

Sponsor/Exhibitor Support Service

-

CILAD is providing the industry with a dedicated support service for sponsors and exhibitors.

This service will be provided by Leading, which provides the Technical Secretariat for the congress.

Within the scope of this service, you can contact Leading for:

- Meetings or general clarifications regarding the Congress;
- Technical questions relating to the sponsorship dossier or the Meeting venue and the operation of the exhibition;
- Support in the production of booths or materials to be used at the technical exhibition or Meeting;
- Rental of audiovisual equipment or booth furniture;
- Catering, Hostesses, Transfers & Concierge Services;

Exhibitor portal

To make it easier for companies, an online portal will be made available where you can register, upload logos and texts, as well as keep track and be reminded of all the important dates and tasks involved in taking part in the congress.

Accommodation

The congress will offer a truly innovative booking service, streamlining the process for the industry to make individual or group reservations.

The platform is available in 36 languages, supports payments in 132 currencies, and provides special rates exclusive to congress participants.

Please note that October is high season in the city of Porto, so you should book your accommodation as soon as possible.
